Reunion and Dinner Night!

Nanda arrived and met Calle and Carina! They went to Ida's favorite restaurant in Östersund to have dinner together: **Restaurang Pizzeria Athena!**

“We can fix it!”

After this, they had to think about how we could print the posters to tell people from Östersund about the festival, but no stores were open at that time (9pm). When Calle and Nanda were going to Gäddede, Calle thought of someone who could fix it. Known by many names and for his great ability to fix everything: Björn/Bear/Urso!!!

He did fix it and then they took the posters to Carina at 1am!
