## YES! We have food!

Today we went to see a great friend and one of our sponsors, Erik Sundin! He donated all this meat for the festival and guess who is going to be here to run the kitchen? Our amazing Chef ARNOLD!!! If you like cooking or just want to help him, he will need as much help as possible!

For the vegetarian people, do not worry, we will have a bunch of great food for you too!! Gäddede Dance Festival is prepared for everyone! If you didn't registered, please do, so we can know what food we should have, **if you have some food allergy we HAVE to know!**

After this, Emma came and we went to Gussvattnet to clean where Calle is staying and maybe some teachers will be during the festival.

Dax för fika! Time for fika!

Calle had an interview with Gustav Jillker, a journalist from Östersund. He is Miljömagasinet's managing editor and its focus is on environmental and social issues from both Swedish and international perspectives.

At the end of the day, we went to the Dance Center to see how it was and as we think pictures tells more than words, we will just show you!!!

**Lots of work to do! See you in the next GDF Newsletter!!!**
