Get up everybody and sing!

Look who is here!! Our brazilians folks! We are having a great time together and we are waiting for you! We've heard that a lot of people are coming tomorrow, so we've worked hard to make everything as clean as possible for you! Let's show you what we did today.

Annie, Gustavo and Vivi had a lot of work today cleaning Arnold's ballroom, so we can eat and dance there! Look how happy they were:

They are here to tell you that work can be fun!

Look at this smile! You can be as happy as they are, just come and work with us!!!

Nanda and Emma also cleaned the stretching room in the first floor, so we can stretch together after the classes! Look the before and after pictures!

Meet our mascot **PORCO**

He is always with us in the reception, feel free to squeeze it! You can also use Porco's noise to scare or call people's attention! Do try it! If there is no one in the reception, Porco will be there to help you!

Dinner time!

Here is a picture from our dinner competition where Francisco and Emma were making sauces and they let everyone else decide which one was the best - it was tied.

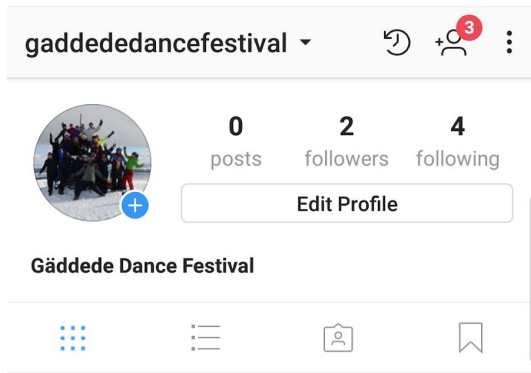

And look, Lorenz was with us (through the phone)!!!

Reception Party

Do you remember we said the reception is the best part of the Dance Center? Why is that? 'Cause we have amazing parties there and you are invited, you just have to show up, take the guitar, dance and sing with us!!!

WE HAVE AN INSTAGRAM ACCOUNT!

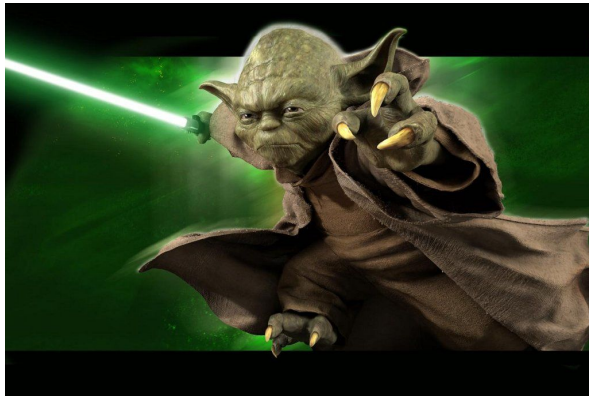

Follow us on instagram and share it!! We will post a lot of pictures and videos during the festivals, and even after it!

You can suggest things we can post and hashtags we can use! Do not forget to use them too, such as
