“There’s going to be some
Rock’n’Roll here tonight!”

Today we had our traditional Cabaret!!! There were 16 presentations, including Forró, Rockabilly, Manamanah, Tango, Magic, singing and a lot more! We want to thank everybody who was there presenting or watching. We also want to ask everybody that took pictures to send to us so we can use it on the website and in the GDF Newsletter!

There are some AMAZING pictures of the Cabaret, taken by Annie and Lorenz! Thank you, guys!

We also had a lot of classes and tasters again! People are enjoying the warm up and cool down with Vivian and Nanda! Everyday there are more people here with us!

Something very weird happened today. We were at Apollo Theater in the afternoon and when we came back, Porco was not there!!! Instead of him, we found another pig, more pink and small! We found out later that it was Porco's partner, PORCA! So now everybody has to welcome Porca, the new member of the reception!

Be prepared for the **BIG SHOW** tomorrow night!

Everybody is practicing for Chester Madness show on Saturday at Apollo Theater! Almost everybody is going to participate and all the teachers are going to be there performing!

Sunny days are coming!

Come and enjoy with us!

See you in the next GDF Newsletter!!!
